FALL
2021

 @RepDelloso |  /RepDelloso |  www.RepDelloso.com

School is back in session and, with it, my hope for a safe and enjoyable year for students, parents, teachers and school staff alike. As we welcome the changing of the seasons, it's important to pay extra attention to our roads and to stay safe as kids move about, school buses stop, leaves fall from the trees and other hazards pop up.

I had a great summer walking around our legislative district, as my staff joined me in visiting homes from Glenolden to Folcroft to Tinicum to Ridley Park and everywhere in between, to bring constituent services to your door. I will continue to make my way around the district bringing constituent services to your door with my staff on hand.

Please call my office if you need help with programs and services, to ask questions or if you have a special request for a citation celebrating outstanding achievements or milestones.

I look forward to seeing you soon at one of my upcoming events or at your door!

In service,

David M. Delloso
State Representative
162nd Legislative District

SUMMER FUN IN THE 162!

1 I had so much fun visiting Interboro School District classes and reading to kindergarten and pre-k students before school let out. Nothing brightens your day quite like seeing the joy young children have in learning.

2 This Memorial Day, it was an honor to spend some time with 102-year-old Joe Passaretti, a World War II veteran from Collingdale. I would also like to thank VFW Post 7213 Norwood, Norwood American Legion Post 507, Murray-Stuart American Legion Post #566 and members of the Interboro Senior High School Band for making this Memorial Day so special.

3 Juneteenth commemorates the end of slavery in the United States. It is also called Emancipation Day, held on June 19th. I enjoyed spending the day with neighbors in Collingdale.

4 We filled the truck with several bags and boxes of documents containing personal information to prevent identity thieves from getting at them. Check my upcoming events page for information on our next shred event!

5 Thank you to all the Veterans and their family members for stopping by my Veterans Lunch and Legislative Update this spring!

6 It was an honor to visit with Nanny Dixon of Ridley Park and present her with a citation from the Pennsylvania House of Representatives in celebration of her 100th birthday on June 7th. To learn more about citations to memorialize life milestones, contact my office at 610-534-1002.
