### HADDOCK: DEMS PROTECTED \$150M FOR PA SPORTSMEN

HARRISBURG – As an avid outdoorsman, I am firmly opposed to a proposal by state Senate Republicans to take \$150 million from the PA Game Commission and transfer it to the Clean Streams Fund... Fast forward several months and I am pleased to report that House Democrats were successful in blocking the idea from becoming part of the 2023-24 state budget package. The PA Game Commission remains fully funded and PA sportsmen can continue to enjoy the outdoors.

### STATE LEGISLATORS OPPOSE UTILITY FIRMS' SOARING RATES

TAYLOR – Local state Representatives are pushing back against utility companies and raising water rates for customers. State Representative Jim Haddock (D) of the 118th Legislative District says these rate increases and what he labels as over billings – are a threat to all Pennsylvanians and needs to change.
