53RD LEGISLATIVE DISTRICT

SPRING 2025

STATE REP. STEVE MALAGARI

WORKING FOR THE PEOPLE

Sign up to receive regular community updates through email at RepMalagari.com/emailsingup.

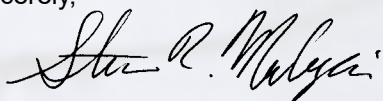

DEAR NEIGHBOR,

As your state representative, I have three main duties: to pass meaningful legislation, to bring money back to our district, and to provide state-related services to my constituents. I take these responsibilities seriously and am proud of all that we managed to accomplish in 2024. You can find details on all our reasons to celebrate throughout this newsletter.

But there's still so much to do! In 2025, I will continue to support legislation that helps our communities and the families who live here, continue to advocate for funding for our municipalities, first responders and schools, and spend as much time engaging with the residents of District 53 as I can.

Thank you, as always, for all your support. I look forward to having more to celebrate together in 2025!

Sincerely,

INVESTING in our FUTURE

Working to resolve state issues for residents

MORE MONEY FOR OUR COMMUNITIES

In 2024, our legislative district received more than \$18 million in state grant funding. This includes:

- \$4.3 million for schools in the Souderton Area and North Penn School Districts. These funds help provide additional security, more mental health support, and much needed facility upgrades.
- \$2.55 million for public safety, including new equipment for local police and firefighters and the construction of the Hatfield Township Public Safety building.
- \$660,000 for the parks, recreation centers, and public works departments that make District 53 such a nice place to live. These funds will go toward projects such as upgrading security at Generations of Indian Valley and renovating White's Road Park in Lansdale.

And although 2025 has just started, we've already secured an additional \$121,791 for our local police, EMS, and firefighters, as well as \$32,400 to help Lansdale restore the Neshaminy Basin Streambank.

Swearing in for my fourth term as State Representative.

MY OFFICE IS WORKING FOR YOU!

CONSTITUENT SERVICES

It was an incredibly busy year for my team, which is just the way we like it! We do our best to serve as many constituents as possible. In addition to our Lansdale office, we also maintain an office in Souderton that is open by appointment and offer monthly remote hours at Generations of Indian Valley, Souderton Mennonite Homes, The Peak Center, and Hatfield Jame Masjid. Whether you need help with state services, would like to obtain a SEPTA senior fare card, have questions about the Property Tax/Rent Rebate Program, or want to express your opinion about legislative issues, we're here to help!

LEGISLATION

I am extremely proud to share four of the bills I introduced last year that were signed into law by Gov. Josh Shapiro.

H.B. 1567 makes life easier for renters by allowing them to stay in their homes while needed repairs are being done.

H.B. 1096 allows licensees to convert hotel liquor licenses to restaurant licenses, helping to promote economic growth and provide increased opportunities for entrepreneurs in the hospitality sector.

H.B. 1889 updates outdated legislation to permit electronic receipts for light fuel oil deliveries.

H.B. 1246 allows local crematories to function at a lower temperature, putting them more in line with practices of neighboring states.

REAL ID ENFORCEMENT BEGINS MAY 7TH

The enforcement of REAL ID will start May 7. A REAL ID is a federally compliant driver's license or ID card with enhanced security features. After May 7, you will need a REAL ID or another federal form of identification (such as a passport or military ID) to fly domestically, enter a military base, or enter certain federal facilities. You will not need a REAL ID to drive, vote, access hospitals, visit a post office, access federal courts, or receive federal benefits such as Social Security or veterans' benefits.

To obtain a REAL ID, you must take proof of your identity (such as your birth certificate or valid US passport), proof of your Social Security number, two proofs of your current PA address (such as an unexpired driver's license or utility bill), and proof of all legal name changes to a REAL ID center. You no longer need to provide your Social Security card as proof of your Social Security number. Instead, you can now use a W-2 form, a 1099 form, or pay stubs that have your name and full Social Security number as proof.

Before you visit a REAL ID center, you should review the PennDOT REAL ID document checklist to make sure you have all the needed materials at www.dmv.pa.gov/REALID.

REAL IDs are now available

May 7, 2025 is the deadline to get a REAL ID.

Pennsylvanians will need a REAL ID to:

-  Board a domestic flight
-  Enter a federal building
-  Enter a military base

Ready for a REAL ID? Get pre-verified.

ONLINE If you got your first license AFTER September 2003	IN PERSON If you got your first license BEFORE September 2003
