## DEAR NEIGHBOR,

I am proud to welcome constituents, both new and old, to the 152nd District's Summer 2022 newsletter. It is an honor to serve the 152nd District and its residents in the General Assembly.

Please take some time to look at the maps below to learn the new 152nd District boundaries. They are shifting to include parts of Abington Township. Parts of Upper Dublin Township and Philadelphia will join other legislative districts. This change takes effect on December 1, 2022.

We have a lot to talk about. From events throughout the district, to \$3.6 million in grant money just secured this year, and to the countless services provided for constituents, we are bringing you up to speed on everything in this edition of our newsletter.

As always, my staff and I look forward to serving you. Please reach out if you need any assistance with state-related issues and services.

## The federal REAL ID Act has been extended in Pennsylvania until **May 3, 2023**

*I teamed up with Representative Sanchez in April to host a Senior Fair for our constituents. During the event, over 200 senior citizens joined us to learn more about the numerous community resources available to them.*

*The development of Miracle Field is underway in Horsham! It is an ADA compliant baseball field designed to support athletes with disabilities. I am thrilled to support SB915, which provides the \$2,000,000 project with funding from a state grant. Thanks to Bill Slaymaker and Nancy Kirby for all their hard work leading this project!*

*My staff and I had an opportunity to tour Settlement Music School's Willow Grove location. It was such a joy to watch bright young minds of tomorrow being taught and guided by world-class instructors. Settlement provides financial aid to more than 60% of their student population ensuring that arts education is accessible to all.*

*Our state minimum wage of \$7.25 is currently the lowest in the region. Recently, I met with Governor Tom Wolf and other legislators in support of the workers at '&Pizza' in the Willow Grove Mall.*

*Congratulations to Bill Seedes, director of Willow Grove YMCA, for receiving both the Patriot Award, in recognition for his support of the 166 Force Support Squadron, and a citation from the House of Representatives for his continued leadership! We appreciate Bill's countless contributions to our community.*

*I was honored to attend the groundbreaking ceremony for Hatboro's Gold Star Garden. Thank you to the Borough and the community members who have come together to support this project, which will serve as a tribute to our fallen soldiers and their loved ones. The dedication ceremony is planned for September 25th at 11 A.M. at Miller Meadow Park.*

*I attended the ribbon cutting for the new food cupboard at Salem Baptist Church in Abington.*

# LEGISLATION

## CO-SPONSORSHIPS

These are just a few of the bills that I have signed on to co-sponsor this year:

- **HB2721:** Would increase income limits for homeowners and renters and increase eligibility for a Property Tax Rent Rebate.
- **HB2297:** Would forgive up to 5 years of property taxes for veterans who are enrolled in the real estate exemption program.
- **HB2043:** Would protect the environment in “burdened communities” by having builders prepare an environmental impact statement.
- **HB2531:** Would establish a program to financially assist families still affected by the COVID-19 pandemic.
- **HB2349:** Would provide all Pennsylvania employees paid sick leave.
- **HB2752:** Would create a Working Families Tax Credit to help combat child poverty.

## PROPERTY TAX/RENT REBATE UPDATE

As part of the state budget passed in July, individuals who receive a 2021 Property Tax/Rent Rebate will receive a one-time bonus payment! My colleagues and I fought hard to include this funding in the state budget because we know how hard things are for people on a fixed income. The household income limits are \$35,000 for homeowners and \$15,000 for renters. The deadline has been extended to December 31, 2022.

## VICE PRESIDENTIAL ROUNDTABLE WITH VP HARRIS

I was honored to be one of a handful of Pennsylvania legislators to attend a roundtable discussion in Philadelphia hosted by Vice President Kamala Harris. We discussed a variety of topics, including reproductive rights, equality and voting rights. It is so very important to build these coalitions at every level of government to protect the rights of all.

*I urged the PA House to support legislation that would help the Trans Community obtain proper documentation more easily as well as update our burdensome ID change process; all residents of the commonwealth should be treated with fairness.*
