

STATE REP. PATTY KIM'S

**FREE SHREDDING**

**EVENT** 

My shred event will be held on Saturday, July 16 from 10 a.m. to 12 p.m. in my Kline Village office parking lot, 25th and Market Street in Harrisburg, PA 17104.

Protect your identity and declutter your home by coming out to my upcoming shred event. Safely dispose of unneeded documents that include your personal information by shredding them on-site at this free event. Only paper items will be allowed (no electronics or trash). We'll only be accepting paper from individuals – no businesses, please.

It will be a drive-through event. Remain in your vehicle, and someone will remove your materials for shredding. Masks are required.
