Dear Friends,

As we wrap up another legislative session, I've been taking some time to reflect on everything we've accomplished together. Serving as your state representative continues to be one of the greatest honors of my life, and I am incredibly grateful for the opportunity to be your voice in Harrisburg.

When I took the oath of office as your representative, I promised to listen, work hard, and always put our community first. Every vote I cast, every bill I introduced, and every conversation I had at the Capitol was guided by one simple question: ***How can this make life a little better for the people I represent?***

This session gave us a lot to be proud of.

One of the moments that meant the most to me was seeing my bipartisan Pennsylvania Korean VALOR Act become law. This legislation ensures Korean Americans who served alongside the United States during the Vietnam War receive the recognition and veterans benefits they earned. Its overwhelming support showed what we can accomplish when we put people before politics.

I also advanced legislation to strengthen water and sewer infrastructure, protect public health, and prevent costly problems for homeowners and municipalities.

Supporting our first responders remained one of my highest priorities. I introduced Bryan's Law to help ensure the families of emergency responders who lose their lives to suicide due to trauma from their service receive the benefits they deserve. These brave men and women put their lives on the line for all of us, and we have a responsibility to stand by them and their loved ones.

I continued advocating for stronger home and community-based services so older adults and people with disabilities can receive care at home whenever possible.

I was proud to stand with manufactured homeowners who have been facing steep lot rent increases and have supported efforts that would better protect affordable homeownership across Pennsylvania. Every family deserves stability and the peace of mind that comes with knowing they can remain in the home they worked so hard to achieve.

Serving you, however, means more than passing legislation. It means helping veterans and seniors access benefits, assisting families with state agencies, connecting residents with resources, supporting local businesses and non profits, visiting schools, and being present throughout the communities that make our district so special.

This year, my office was honored to help thousands of constituents with everything from state services and PennDOT issues, to unemployment compensation, tax rebates, and so much more. We also hosted community events like shredding days, educational workshops, senior outreach, and resource fairs because government should be accessible, approachable, and responsive.

None of this would be possible without you.

Your emails, phone calls, visits to my office, and conversations with me at community events shape the work I do every day. You have shared your stories, your challenges, your ideas, and your hopes for our future. Those conversations make me a better legislator and remind me why public service matters.

While this session brought many accomplishments, there is still important work ahead. Thank you for giving me the privilege of serving you. Every day I walk into the Capitol, I carry our community with me. I will continue working hard, listening carefully, and fighting for the issues that matter most to you.

It is truly the honor of a lifetime to represent the people of the 151st Legislative District, and I look forward to everything we will accomplish together.

With gratitude,

Melissa Cerrato

Representative Melissa "Missy" Cerrato
Pennsylvania House of Representatives
151st Legislative District

★ 151st Legislative District ★

There's nothing more powerful than a room full of people committed to helping others. I was grateful for the opportunity to learn, connect, and work alongside these amazing community partners at the Upper Dublin Lutheran Church Community Summit and Leaders' Dinner.

Community events like Horsham Day remind us what makes our township so special. I was grateful for the opportunity to help judge Horsham Idol and cheer on so many talented local performers!

Real change happens when communities come together with compassion and purpose. I'm thankful to have joined so many dedicated partners in Ambler to raise awareness, support survivors, and help foster a community where everyone feels seen, heard, and supported.

Watching students lead with kindness, teamwork, and generosity is always inspiring. Congratulations to everyone who made this year's KV Challenge such a meaningful celebration and a tremendous success for Make-A-Wish!

There's something special about being surrounded by people who believe every child deserves a safe place to sleep. I was grateful to stand alongside the incredible team at One House at a Time, Beds for Kids as they continue changing lives, one bed at a time.

Behind every successful K9 team is countless hours of training, trust, and dedication. I was grateful to celebrate Officer Haber and K9 Riggs, along with Officer Eufrazio and K9 Niko, and thank them for all they do to keep our Montgomery Township community safe.

Some of the biggest impacts begin with people who simply choose to show up and help. It was an honor to support Mitzvah Circle's Spring Period Supply Giveaway alongside so many dedicated community partners in Montgomery Township.

Visiting Kid Doodles Learning Center in Ambler was a great opportunity to connect with teachers and administrators about the needs of our childcare community and the importance of supporting early educators. And, without a doubt, the best part of my visit was getting to read with the sweetest group of children! Their enthusiasm for stories was absolutely contagious.

A ribbon cutting is more than a celebration. It's a reminder of what we can accomplish when we invest in our communities and work together toward a shared goal. Congratulations to Upper Dublin Township and everyone who made the Fort Washington Turnpike Zip Ramp a reality!

State Representative
MELISSA CERRATO

605 Horsham Rd.
Horsham, PA 19044

How We Can Help

- Finding and Recovering Unclaimed Property
- Notary Services
- Unemployment Compensation
- SEPTA Senior Key Card Processing
- Property Tax/Rent Rebates
- Medicaid, Food Stamps, and LIHEAP
- Birth and Death Certificate Applications
- PennDOT-Related Matters
- And More!
