WORKING FOR YOU IN THE COVID-19 CRISIS

Dear neighbor,

I know COVID-19 has upended your life. It's scary not knowing what's going to happen from one day to the next. But during these trying and uncertain times, I am still working for you. Even though my office is closed, you can still reach my staff and me by phone or email for help with unemployment or other state benefits and programs.

And in Harrisburg, we're working to address this ongoing crisis.

We've also worked with Gov. Wolf to provide a zero-interest state loan program to local businesses to help them stay afloat as they do their part to stop the spread.

Please #StayHome as we continue to try to #FlattenTheCurve of COVID-19 throughout Pennsylvania. Remember, the decisions we make today will impact the severity of this crisis tomorrow.
