Fall
2025

Dear Neighbor,

That familiar chill is returning to the air, and after a very long summer, the state budget remains in the balance.

We've been very productive in the Pennsylvania House of Representatives this session. If you're signed up for my weekly email updates, you know we've passed some bills that make me proud, including a budget bill that is with the Senate.

These are just a handful of our recent accomplishments:

- Passed a bill that would make it **harder for private equity firms to purchase hospitals**, giving the Attorney General much more oversight on such transactions;
- Voted to reign in cyber charter schools to make them **more accountable to taxpayers** and **lessen their financial burden** on public schools;
- Passed legislation to update the tax code so that large, multi-state corporations **can't dodge Pennsylvania taxes** anymore.

We also voted to ban companies from charging you **hidden "junk fees,"** restore **dental coverage** for Medicaid recipients, and deliver the funding to **keep SEPTA rolling** here in Delaware County and beyond.

All of these bills are now with the state Senate for their consideration and votes before they can become law.

Below you will see what my office has been up to around the community, as well as some upcoming events.

Thank you for your support. Whether I'm on the House floor or discussing things in committee, I am always working for you. I encourage you to get in touch with me by visiting my office or by e-mailing me at RepDelloso@pahouse.net.

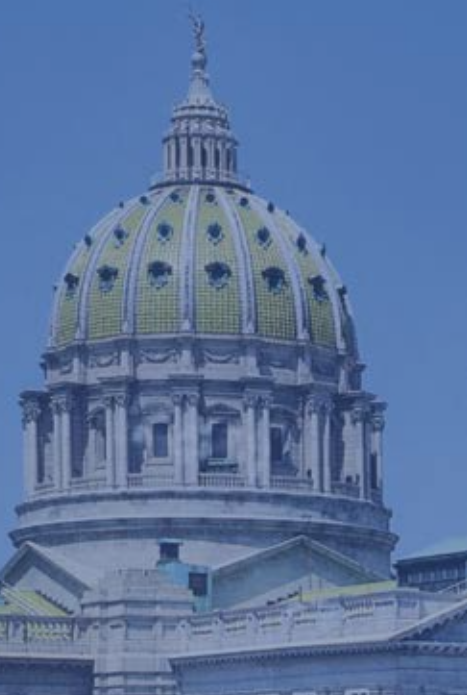

Sincerely,

State Representative David M. Delloso

INVESTMENTS IN THE COMMUNITY

FUNDING OUR SENIOR CENTERS

\$2,525 | Good Neighbor Senior Center

\$2,525 | Schoolhouse Senior Center

Knocking on doors and catching up with our neighbors around the community is one of the ways I keep tabs on the issues that matter most to you – and what I can do in Harrisburg to support you.

Visits to Ridley Township Public Library are always a great and insightful time!

AROUND THE COMMUNITY

JUNE

We participated in the **Delco Veterans Resource Fair** at First African Baptist Church. Thank you to the County Office of Military and Veterans Affairs for organizing this and inviting us!

Principal Gloria Goldey at **Lakeview Elementary** retired this year, so we honored her with a House of Representatives citation! There were three other Ridley School District retirees who received citations, as well. Happy retirement, everyone!

MacDade Bowl invited us to their **10th Annual Autism Fair**. The Pescatore family are good friends of ours and always do their best to give back to the community.

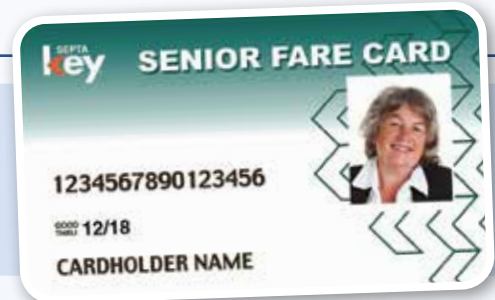

We partnered with Senator Tim Kearney's office to assist with **SEPTA Senior ID applications** over in Rutledge. Thank you to the **Rutledge Borough Hall** for hosting us.

Huge thanks to Richard Womack, Vice Chair of Delaware County Council, for organizing an amazing **Health and Job Fair** at Academy Park High School. A large variety of vendors were present, and the turnout was fantastic. We were happy to participate.

JULY

More SEPTA Senior ID applications with Senator Kearney! This time we set up camp at the Ridley YMCA. Thanks for hosting us! As a reminder, if you are 65 years or older and want a SEPTA Senior card, you can visit one of our district offices any weekday.

AUGUST

We partnered with Senator Kearney's office again, this time for a **License Plate Replacement** event. When your license plate becomes damaged, faded, or otherwise illegible, you normally have to track down a police officer who can verify it.

We had Ridley Township Police at your service to sign off on those PennDOT forms and get license plates replaced, and had a great turnout overall. Thank you to Ridley Township for hosting!

We were happy to participate in **National Night Out** events in Ridley Township, Prospect Park, and Folsom! These events are run by the local police departments and EMS services, and give you the chance to meet your local police officers and get to know them – and enjoy great food and games while you're at it. Thank you to both municipalities for letting us share our information and resources on this beautiful night!

Working with Bob Pescatore and the MacDade Bowl crew to **distribute school supplies** collected in the annual donation drive held in memory of Catelyn Stone is an honor I look forward to every year. Catelyn was a MacDade Bowl employee and educator who took great care to ensure her students had the supplies they needed.

Extended until
December 31, 2025

The Property Tax/Rent Rebate Program has delivered millions of dollars in rebates to thousands of seniors here in Delaware County. I'm proud to say the program is bigger and better than ever after I fought and won to expand income limits to qualify and the amount of dollars you can get back. You may now apply for a rebate for what you paid in 2024!
