

BIZZ REPORT

FALL 2026 ★ NEWS FROM OUR REPRESENTATIVE ★ RYAN BIZZARRO

ALWAYS WORKING FOR YOU

FIGHTING FOR AFFORDABILITY

Working families are feeling the pain of rising costs, that's why the **House cut taxes seven times for seniors, working families and small businesses**. From higher utility bills and grocery prices to the expense of childcare and housing, making ends meet has become more challenging. **That's why I remain laser-focused** on easing those burdens and investing in our region's success.

The state budget we passed in July does exactly that.

The budget helps keep more money in your pocket by **expanding tax relief**, protecting consumers against rising energy costs, and increasing retirement benefits for many public-sector retirees hit hard by inflation and the war in Iran.

The budget makes historic investments in education, **including more than \$2 million for the Fairview and Millcreek school districts**, while expanding career and technical education, higher education assistance, and workforce development.

As your representative, I will always fight for you and put working families first. I have **NEVER** raised your taxes, and I fight to deliver results for the people of Erie County.

Ryan Bizzarro

BUDGET RECAP

This year's budget increased funding for our high-performing local schools, and provided \$104.7 million to increase basic and special education funding, all **WITHOUT RAISING YOUR TAXES**.

✓ Fairview School District	✓ Millcreek Township School District
Basic Education Funding +\$31,096 (0.7%)	Basic Education Funding +\$159,117 (0.9%)
Special Education Funding +\$23,192 (1.9%)	Special Education Funding +\$118,975 (2.5%)
Total +\$54,288	Total +\$278,092

Total for both \$2 million + \$332,380

POLICY COMMITTEE IMPACTS BUDGET

As a member of the House Majority Leadership team, I serve as Chairman of the Majority Policy Committee. We travel to every corner of the state to host hearings on the issues that matter most to you, including lowering your energy costs, improving career and technical education, and improving housing.

We held 80+ events this legislative session, with more planned throughout the fall.

We hosted conversations on how to deliver for working families **WITHOUT RAISING YOUR TAXES**, crisscrossing the state to learn from experts how state investments help workers.

WORKING FOR YOU

My dedicated team and I pride ourselves on being one of the highest-performing offices in the state when it comes to completing casework and getting you what you need. **We help thousands of people here at home.**

No matter who you voted for or what party you belong to, my job is to work for you! I will always listen, show up, and fight for the people of our community, because public service means putting constituents before politics. We've closed **24,000+** cases this year, filed **800+** Property Tax/Rent rebates that brought **\$520,000+** back to our district, and closed **1,200+** PennDOT cases for you!

If you need ANY help with the services at right, don't hesitate to contact or visit my office.

BRINGING YOUR MONEY HOME

This legislative session, my team and I have helped secure more than **\$63 million** in state funding for local projects.

- ✓ Renewal of state-issued licenses + much more!

SENIOR FAIR 2026

Each year, my team prides itself by hosting the biggest Senior Fair in the state. Thank you to everyone who helped make my Senior Fair a success, bringing together more seniors than ever before – with an eye-popping 1,517 people attending to our new location at the Bayfront Convention Center!

Whether it's finding the services and organizations seniors need in our region, socializing with friends and neighbors, or enjoying refreshments while Elvis performs – thank you to everyone in Fairview and Millcreek for making this a can't-miss event.

If you missed our senior fair, and need info on senior services, **call my office (814) 835-2880 for help.**

Everyone knows traffic strains our local resources, that's why I worked with the Millcreek Police Department and the state to fund the purchase of a brand-new traffic safety vehicle to assist traffic investigations and keep our streets safe.

Fairview Township is enhancing and improving its downtown, including plans to upgrade sidewalks along West Ridge Road and Avonia Road to encourage foot traffic and increase safety.
