Dear Friends:

One of my most important duties as a state representative is helping you engage with state government.

Often citizens don't know exactly where to turn for

the services provided by the state. Figuring out which agency can help with a particular problem or question, and how to contact the right department, can be a challenge.

I want to help. If I can be of service, give me a call at one of my offices.

Sincerely,

*Napoleon Nelson
